ORDER OF THE BOARD (by I. G. Goodman):

On January 27, 1983 both of these matters, PCB 82-153, the Alternative Standard Petition and PCB 83-11, the Variance Petition were stayed pending the effective date of the rules adopted in R80-22, Sulfur Dioxide Amendments. R80-22 became effective on March 28, 1983. Therefore pursuant to Petitioner's March 28, 1983 motion, the stay is lifted. Furthermore, the pleading filed March 16, 1983 will serve as the variance petition ordered filed by the Board's January 27th Order.

Petitioner also moves that both matters be consolidated for administrative efficiency and convenience. Since the relief sought and elements of proof are different for each matter, that motion is denied. However, both matters will be assigned to one hearing officer, and the parties are free to schedule the necessary hearings successively.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 7th day of April, 1983 by a vote of 5-0.
