ORDER OF THE BOARD (by J.D. Dumelle):

On December 16, 1982 the Board entered an order in this matter construing a letter from the Village of Seneca as a petition for variance. On January 13, 1983 the Board received a second letter (dated January 7, 1983) indicating that Seneca does not wish to pursue a variance. The Board construes that letter as a motion to dismiss.

That motion is granted and proceedings in this matter are hereby dismissed. The Board notes that in dismissing this action, it has made no determination as to the necessity for variance.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 10th day of February, 1983 by a vote of 5-0.
