ORDER OF THE BOARD (by B. Forcade):

On December 16, 1985, North Shore Sanitary District ("North Shore") filed a Motion to Continue Hearing which requested a continuation of their hearing date until the last week of February, 1985. North Shore cited progressive negotiation towards settlement with the Illinois Environmental Protection Agency as its reason. The Board's decision on this matter is now due March 8, 1986.

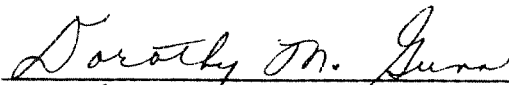

North Shore's motion is granted as modified below:

Hearing must be scheduled no later than
January 3, 1986, and held no later than
February 3, 1986.

These time constraints will allow the Board adequate time to **publish hearing notices** and after hearing, to review transcripts and make a decision by March 8, 1986. Should the parties require additional time to negotiate, the Board would need a decision waiver to extend its schedule accordingly.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 20th day of December, 1985, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
