ORDER OF THE BOARD (by B. Forcade):

On June 19, 1986, the City of Keithsburg ("Keithsburg") filed a letter requesting modification of the Board's January 24, 1985, Order granting Keithsburg variance from certain water pollution control regulations. The Board construes the letter as a motion to modify. On July 9, 1986, the Illinois Environmental Protection Agency ("Agency") filed a Response to Motion which supported the requested modifications. Keithsburg seeks modification of certain interim dates established in the construction and compliance schedule of the January 24, 1985, Order, but does not seek any extension of the date for final compliance. The changes are sought due to Keithsburg's submission and the Agency's approval of a Municipal Compliance Plan.

The motion is granted and the terms of the January 24, 1986, Order are modified to read as follows:

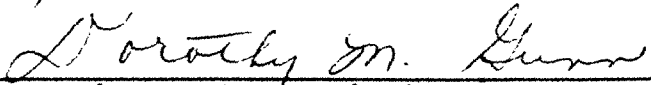

The City of Keithsburg is hereby granted a variance from 35 Ill. Adm. Code 304.120(a) and 35 Ill. Adm. Code 304.121 until July 1, 1988, subject to the following conditions:

1. During the period of variance, discharges shall not exceed 85 mg/l of BOD<sub>5</sub> and 75 mg/l of TSS as a monthly average, based on the sampling frequency contained in NPDES Permit IL 0021393.
2. City of Keithsburg shall provide secondary treatment of its wastewater in accordance with the following compliance schedule:

<u>Item</u>	<u>Completion Date</u>
1. Submit final plans and specifications to EPA	June 1, 1987
2. Purchase land for proposed facilities	Dec. 1, 1987
3. Construction financing arranged	Dec. 1, 1987
4. Initiate construction of proposed facilities	Jan. 1, 1988
5. Complete construction of proposed facilities and achieve compliance	July 1, 1988

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 31<sup>st</sup> day of July, 1986, by a vote of 5-0.

  
 Dorothy M. Gunn, Clerk  
 Illinois Pollution Control Board
