ORDER OF THE BOARD (by J. Anderson):

By Order of June 5, 1986, the Board directed Monsanto to file a supplemental response to the Agency's May 19 motion to dismiss, "including a description of its participation, if any, in the permitting process at the Agency level, on or before June 16, 1986." No response has been received. The Board on its own motion extends the time for filing of this response through July 3, 1986, intending to rule upon the Agency's motions on July 11.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 20th day of June, 1986, by a vote of 7-0.
