ORDER OF THE BOARD (by J. Anderson):

On December 31, 1981 the Village petitioned for variance from the gross alpha particle activity standard of Rule 304 of Chapter 6: Public Water Supplies. However, the petition does not include any indication of the gross alpha particle activity levels of the Village's water, or address the question of why denial of variance would impose an arbitrary or unreasonable hardship.

If an amended petition curing these deficiencies is not filed within 45 days of the date of this Order, this petition will be subject to dismissal.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 7th day of January, 1982 by a vote of 4-0.
