INTERIM ORDER OF THE BOARD (by W. J. Nega):

On August 18, 1983, the Illinois Environmental Protection Agency (Agency) filed its Recommendation that the requested variance be denied because insufficient information as to environmental impact and hardship factors was submitted.

Subsequently, in letters to the Agency dated October 14, 1983 and October 17, 1983, additional information was provided.

On November 14, 1983, the Petitioners filed a Second Amended Petition for Variance with the Board.

Because time is of the essence in this case, the Board will, on its own motion, expedite this proceeding.

Accordingly, the Agency shall, within 10 days of the date of this Order, file its response, if any, to the Second Amended Petition for Variance.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Interim Order was adopted on the 18th day of November, 1983 by a vote of 7-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
