DISSENTING OPINION (by J. Theodore Meyer):

I dissent in this matter for procedural reasons only. I was furnished a copy of the proposed Resolution and Order of the Board at the meeting, and was given a copy of the pertinent Federal Register during consideration of the matter. I did not have sufficient time to compare the Federal Register with the proposed Resolution and Order of the Board. Being unprepared to cast an intelligent vote, I cast my vote no.

  
Board Member

I, Dorothy Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Dissenting Opinion was submitted to me on the 21<sup>st</sup> day of February, 1985.

  
Dorothy M. Gunn, Clerk
