ORDER OF THE BOARD (by J. D. Dumelle):

This matter comes before the Board upon a November 1, 1984, petition to extend variance filed on behalf of the City of Farmington. That petition is insufficient in numerous respects. The Board notes that, pursuant to 35 Ill. Adm. Code 104.123, a petition to extend variance must meet all of the informational requirements of an original variance petition, including a waiver of or request for hearing pursuant to 35 Ill. Adm. Code 104.124. Many of these deficiencies could be cured through the incorporation by reference of the record, opinion and order in PCB 83-63 (the original variance proceeding). However, such incorporation must be specifically requested and any information which has changed since that time should be specifically noted.

Unless the City files an amended petition within 45 days of the date of this Order during the above-noted deficiencies, the petition will be subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Board, hereby certify that the above Order was adopted on the 8th day of November, 1984 by a vote of 6-0.
