ORDER OF THE BOARD (by J. Anderson):

On May 4, 1984, the Board received a motion to withdraw this petition for a barium variance. The motion is granted, and this action is dismissed.

The Board notes that the motion was submitted to the Agency in February, and that it was not transmitted to the Board until recently as the Agency has assumed that the Village had sent a copy to the Board directly. The Board wishes to advise the Village that in any future variance cases it should take care to file 10 copies of all documents with the Clerk of the Board as well as submitting a single copy to the Agency, as outlined in the procedural rules for variance cases, specifically 35 Ill. Adm. Code 104.120.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 18<sup>th</sup> day of May, 1984 by a vote of 6-0.
