CITIZENS UTILITIES COMPANY) (Rulemaking)
OF ILLINOIS DISCHARGE TO)
LILY CACHE CREEK)

ORDER OF THE BOARD (by J.D. Dumelle):

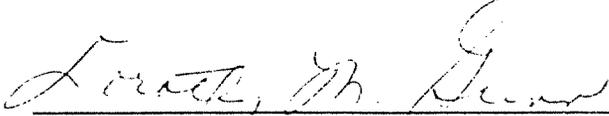

This matter comes before the Board on Citizens Utilities ("Citizens") motion to reconsider filed on August 3, 1990. This has been a protracted proceeding which started nearly a decade ago. The appellate court remanded our initial decision and required the Board to make an economic finding pursuant to Section 27(b) of the Illinois Environmental Protection Act. We did so on July 3, 1990 and now Citizens urges our reconsideration.

The Board denies this motion and stands by its July 3, 1990 Opinion and Order. With the exception of land values and aesthetics, Citizens makes no new arguments. The Board notes that these issues are contained within the record. Therefore, the Board's consideration of these legitimate issues was not erroneous. Accordingly, Citizens motion for reconsideration is denied.

Board Member Ron Flemal abstained.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board hereby certify the above Order was adopted on the 30th day of August, 1990 by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
