ORDER OF THE BOARD (by J. D. Dumelle):

On January 22, 1986, C. Groot Automatic Disposal Co. (Groot) filed a letter which it stated constituted an appeal of certain monitoring conditions in its NPDES issued January 7, 1986. On January 23, 1986, the Board found the petition deficient and afforded Groot 45 days in which to file an amended petition curing the deficiencies. On March 11, 1986, the Board received a memorandum from the Illinois Environmental Protection Agency which stated that Groot did not intend to file an amended petition but was going to comply with its NPDES permit as issued. Based on this information, the Board hereby dismisses this proceeding for failure to file an amended petition within 45 days of the Board's January 23, 1986 Order.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 5<sup>th</sup> day of June, 1986 by a vote of 7-0.
