ORDER OF THE BOARD (by J. D. Dumelle):

This Order is entered in clarification of the Board's October 23, 1986, Order in this matter denying an emergency motion for continuance as moot. In that order the Board quoted a statement from the motion regarding the hearing officer's position on continuances. The purpose of quoting that statement was simply to reflect that the hearing officer had not, as of the time of the filing of the motion, ruled upon it and to indicate the Illinois Environmental Protection Agency's asserted justification for bringing the matter directly to the Board.

Upon receipt of the October 23rd order, the hearing officer, who had not previously been served with a copy of the motion, contacted the Board to indicate that the quoted statement did not accurately reflect his position on continuances, and that the wording of the order was such that the Board appeared to accept the statement as true. Such was not the Board's intent. The Board has no reason to believe that the hearing officer has in any way acted improperly in his handling of this proceeding.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 6th day of November, 1986 by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
