

ILLINOIS POLLUTION CONTROL BOARD  
May 19, 1983

IN THE MATTER OF: )  
 )  
MAJOR SOURCE CONSTRUCTION ) R81-16  
AND MODIFICATION ) Docket (B)

ORDER OF THE BOARD (by J.D. Dumelle):

On April 29, 1983 the Chicago Association of Commerce and Industry (CACI) filed a Motion for Reconsideration in this matter. CACI's Motion contained specific comments on the draft which was circulated in April, 1983 by the Board to this proceedings' participants. With its Motion, CACI also supported Comments filed by the Illinois State Chamber of Commerce. Aside from the comments, CACI urged that the Board not adopt the rules as drafted for Second Notice and requested that further hearings be held.

CACI's Motion was not served on anyone involved in this proceeding, other than the Board. It requests Reconsideration of a draft Board Order, not an action by the Board. Finally it requests additional hearings in a proceeding in which four merit hearings, two economic hearings, and yet another subsequent merit hearing have already been held. Many of the concerns raised by CACI for reconsideration were addressed at these seven hearings. Motion for hearing is denied. The remainder of CACI's Motion will be accepted as public comments in this proceeding.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 19<sup>th</sup> day of May, 1983 by a vote of 4-0.
