 ILLINOIS ENVIRONMENTAL)
 PROTECTION AGENCY)

ORDER OF THE BOARD (by J. Anderson):

This petition, filed April 30, 1985, is deficient and/or confusing in the following respects:

- 1) Sentences one and two of paragraph 1 are conflicting: is a six month or a one year variance requested? Sentence 3 waives the "90 day requirement [of] Section 104.60(e) of said Act (sic)": is this an open waiver of the 120 day decision deadline of Section 38(c) of the Environmental Protection Act?
- 2) The compliance schedule of paragraph nine indicates that construction of pretreatment facilities will be completed October 30, 1985. Will the Village of Morris begin accepting Kable's effluent discharges on that date?
- 3) Has material been omitted between the words "capital" and "Petitioner" in the first line of paragraph 11?
- 4) This petition does not indicate whether variance can be granted consistent with federal law, as required by 35 Ill. Adm. Code 104.122.
- 5) This petition does not contain a hearing request, or instead a waiver of hearing and affidavit attesting to the truth of the facts alleged, as required by 35 Ill. Adm. Code 104. 124.

If an amended petition addressing these issues is not filed within 45 days of the date of this Order, this petition will be subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board hereby certify that the above Order was adopted on the 20 day of May, 1985 by a vote of 5-0.
