POLLUTION CONTROL REGULATIONS,) R82-14
RULE 205: EMISSIONS OF)
VOLATILE ORGANIC MATERIAL)

ORDER OF THE BOARD (by I. Goodman):

On September 20, 1982 the Illinois State Chamber of Commerce and the Illinois Manufacturers' Association moved to stay further hearings in this rulemaking. At the September 21, 1982 public hearing the Board's hearing officer denied said Motion and agreed to refer it to the Board.

On September 30, 1982 Granite City Steel filed comments in support of the Motion to Stay. On October 1, 1982 Chicago Lung Association on behalf of Citizens for a Better Environment, Illinois League of Women Voters, American Association of University Women-Illinois State Division and Mc Henry County Defenders filed a Memorandum in Opposition to the Motion to Stay. On October 4, 1982 the Agency responded in opposition to the Motion to Stay.

This rulemaking was initiated by the Illinois Environmental Protection Agency (Agency). At this time, the Agency has only partially presented its proposal and the public participants have only minimally commented on its merits or lack thereof. To assure that the Agency, as the proponent, has sufficient opportunity to substantiate the rules as proposed and any interested participants ample opportunity to publicly offer input as to appropriate rules, the merit hearings shall continue. The motion is denied.

IT IS SO ORDERED.

Board Member Werner concurred.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 5th day of October, 1982 by a vote of 5-0.
