ORDER OF THE BOARD (by J. Anderson):

On January 14, 1987, Pearson Industries, Inc. filed a permit appeal challenging the Agency's December 9, 1986 modification of its June 9, 1986 closure plan. The appeal was accompanied by a motion for stay, since pursuant to that modification, certain activities are required to be performed by April 7, 1987. The Agency has filed no response.

As this action involves hazardous waste issues, the Board has deferred action for a month pending an Agency response. The Board requests the Agency to file a response on or before February 27 to enable the Board to dispose of this motion at its March 5 meeting.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 19<sup>th</sup> day of February, 1987 by a vote of 6-0.
