

ILLINOIS POLLUTION CONTROL BOARD
March 22, 1985

IN THE MATTER OF:)
)
AMENDMENTS TO 35 ILL. ADM.) R 85-7
CODE 304, SUBPART B (CILCO:)
E.D. EDWARDS STATION))

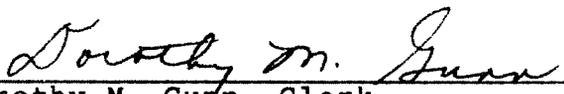

ORDER OF THE BOARD (by J. D. Dumelle):

This matter comes before the Board upon a March 6, 1985, proposal for site-specific suspended solids limitations applicable to the ash pond system of Central Illinois Light Company (CILCO) at its E.D. Edwards Station. That proposal is not accompanied by a petition containing 200 signatures as required by 35 Ill. Adm. Code 102.121(a). However, the Board hereby waives that requirement and authorizes the proposal for hearing.

The Board notes that the petition does not discuss the applicability of 35 Ill. Adm. Code 304.103 regarding background concentrations nor does it discuss the possible use of silt curtains suspended from the booms to reduce the suspended solids discharges. The Board requests that these matters be addressed at hearing.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 22nd day of March, 1985, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
