INTERIM ORDER OF THE BOARD (by J. Anderson):

On April 19, 1984, the Illinois Environmental Protection Agency (Agency) filed a motion to extend time for filing the permit record. Presently, decision in this case is due June 26, 1984 (the Board's last regularly scheduled meeting before that date is June 14, 1984). The Board also notes that the filing of the record was overdue prior to the filing of this motion (see Sec. 105.102(a)(4) of the Board's Procedural Rules).

The motion did not specify the time extension requested. Additionally, although the Agency asserted that the Petitioner, Cabot Corporation, did not object to the extension of time, the Petitioner has neither filed a waiver of the decision deadline nor a request for extension as a pro tanto waiver.

The Board will grant an extension for filing the record until May 14. In so doing, the Board expects the Petitioner, prior to May 14, to file a waiver of decision until at least July 26, 1984, so as to provide adequate time for hearing and review. No further extensions beyond May 14 will be granted without a further corresponding extension of the decision time.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above and Order was adopted on the 3rd day of May, 1984 by a vote of 6-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
