ORDER OF THE BOARD (by B. Forcade):

On May 28, 1987, Bear Hybrid Corn Company Inc. ("Bear") filed a petition for variance to operate four incinerators at its Decatur and Wapella facilities. By Order of May 28, 1987, the Board requested additional information as the original petition was deficient. On June 23, 1987, Bear filed an amended petition for variance, but that petition also was deficient and the Board requested additional information by Order of June 25, 1987, stating that unless a second amended petition was filed within 45 days, the matter would be subject to dismissal. Bear has not filed its second amended petition; therefore, this matter is dismissed.

Section 41 of the Environmental Protection Act, Ill. Rev. Stat. 1985, ch. 111-1/2, par. 1041, provides for appeal of final Orders of the Board within 35 days. The Rules of the Supreme Court of Illinois establish filing requirements.

IT IS SO ORDERED

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 21st day of October, 1987, by a vote of 4-0.

Illinois Pollution Control Board
