ORDER OF THE BOARD (by J.D. Dumelle):

On February 2, 1983 the Board received a petition for variance from the Shrine of Our Lady of the Snows. That petition is deficient in several respects.

First, the local sewer authority (presumably Cahokia) is hereby ordered joined as a party. Service of process must be completed pursuant to Section 103.123 of the Procedural Rules. Second, since hearing is purportedly waived, an affidavit attesting to the truth of the material facts alleged must be filed pursuant to Section 104.124. Third, to the extent possible, further information should be presented concerning the costs of alternative means of compliance and the environmental impact of the granting of variance.

Unless an amended petition is filed, within 45 days of the date of this Order, curing the above-noted defects, this petition will be subject to dismissal.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 10th day of February, 1983 by a vote of 5-0.

Christan L. Moffett, Clerk
