

ILLINOIS POLLUTION CONTROL BOARD  
December 3, 1987

IN THE MATTER OF: )  
 )  
RCRA UPDATE, USEPA REGULATIONS ) R87-39  
(7-1-87 THROUGH 12-31-87) )

ORDER OF THE BOARD (by J. Anderson):

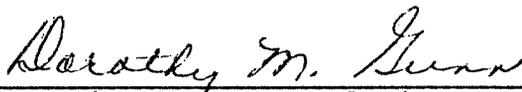

The Board will utilize this Docket to propose regulations updating the Illinois RCRA hazardous waste regulations to correspond with USEPA amendments during the period July 1 through December 31, 1987. In addition, in R86-46 the Board passed over non-substantive revisions to the chemical listings which appeared at 51 Fed. Reg. 28298, August 6, 1986. These may be picked up in this Docket if USEPA has corrected the revisions.

In R87-26 the Board shifted from a quarterly to a semiannual updating of the RCRA rules in anticipation of the Governor signing H.B. 1867. This bill was subject to an amendatory veto and failed to be adopted into law during the override session for reasons unrelated to this provision. The Board will therefore have to shift back to the quarterly update system. However, in that the fourth quarter of 1987 is nearly over, the Board will combine the third and fourth quarter updates into this Docket.

The Board will propose regulations for public comment in the near future. This may have to await a valid base text, which will become available upon completion of R87-26, which is expected around January 1, 1988.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 3<sup>rd</sup> day of December, 1987, by a vote of 7-0.
