ORDER OF THE BOARD (by C.A. Manning):

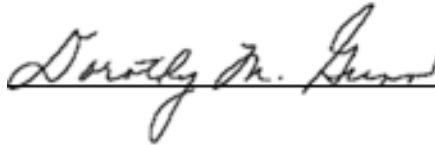

On September 5, 2002, the Board issued an order finding that Tony Luttrell (Luttrell) violated Section 21(p)(7) of the Environmental Protection Act (Act) (415 ILCS 5/21(p)(7) (2000) *as amended* by P.A. 92-0574, eff. June 26, 2002) by causing or allowing the open dumping of waste in a manner resulting in the deposition of construction or demolition debris. The Board's order stated that the facility was located northeast of Xenia at approximate coordinates 360N and 360E in Clay County.

On September 20, 2002, the Illinois Environmental Protection Agency (Agency) filed a motion to amend the final opinion and order. The Agency states that the actual location of the site is southwest of Xenia at approximate coordinates 125N and 210E. While the coordinates were listed incorrectly in the citation, the Agency states that its site code number was correct, and the location was correctly identified in the inspection report. Luttrell has not responded to this motion.

The Board grants the Agency's motion to amend the final order with respect to the coordinates of Luttrell's facility. The coordinates of Luttrell's facility appear in the opinion portion of the Board's September 5, 2002 opinion and order. This correction does not affect the Board's September 5, 2002 default order against Luttrell.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on October 17, 2002, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
