ORDER OF THE BOARD (by J. Anderson):

On September 5, 1985, the Board dismissed this action for reason of Kable's failure to file an amended variance petition curing deficiencies noted by the Board in an Order of June 27, 1985. On September 25, 1985 Kable filed a motion for reconsideration accompanied by an amended petition. In support of its motion, Kable states that it had not responded to the June 27 Order because it had not received the Order "due to apparent mail problems."

The motion to reconsider is granted, and this action is reinstated. The Board construes the 120 day decision period as commencing today. As Kable has waived hearing the petition will be held for the Agency's Recommendation.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 10<sup>th</sup> day of October, 1985, by a vote of 7-0.
