ORDER OF THE BOARD (by J. Anderson):

On October 1, 1985, Electric Energy, Inc. (EEI) filed its response to the Board's September 20 Interim Order rejecting the stipulated settlement of the permit appeal. EEI moved for stay of this proceeding, stating its intent to file a petition for variance within 30 days. Decision has been waived until March 31, 1986, pursuant to an October 2 amendment to the October 1 filing. The motion recites that the Agency has no objection to EEI's request.

The motion for stay is granted until February 6, 1986, subject to revocation if no variance petition is filed on or before November 1, 1985. Extensions of this stay will be considered upon review of the progress of any variance petition filed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 10th day of October, 1985, by a vote of 7-0.
