## ORDER OF THE BOARD (by J. Yi):

On September 16, 1996, the Illinois Attorney General, on behalf of the People of the State of Illinois and the Illinois Environmental Protection Agency (Agency), filed a formal complaint naming as respondent, General Business Forms Inc. (respondent), pursuant to Section 31 of the Environmental Protection Act (Act). (415 ILCS 5/31.) The complaint alleges that respondent violated Sections 9(a) and (b) of the Act, 35 Ill. Adm. Code 201.142, and 35 Ill. Adm. Code 201.143 by failing to obtain construction and operating permits for two flexographic printing presses and five tinters (415 ILCS 5/9(a) and (b)), and violated Section 9(a) of the Act, and 35 Ill. Adm. Code 218.986 for failing to comply with Volatile Organic Material (VOM) emission limitations.

On October 18, 1996, respondent filed a motion for an extension of time to file its answer to the complaint until November 18, 1996. The Board granted respondent's motion for an extension of time to file its answer. Respondent's answer was due on or before November 18, 1996.<sup>1</sup>

On November 15, 1996 respondent and complainant filed a second joint motion for extension of time for respondent to file its answer. The parties state settlement discussions are still continuing. The parties state they intend to meet on December 5, 1996 and that settlement will avoid the expenditure of time and effort necessary for both parties and the Board to prepare for hearing. The parties request the Board to grant an extension until January 17, 1997.

The Board grants the parties joint motion for an extension of time for the respondent to file its answer. Respondent's answer is due on or before January 17, 1997.

<sup>&</sup>lt;sup>1</sup> The hearing officer assigned to this matter has established a status report schedule whereby the first status report is due December 19, 1996.
