ORDER OF THE BOARD (by J. Marlin):

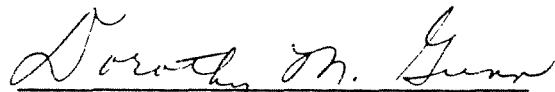

On May 15, 1986, Electric Energy, Inc. ("Electric") filed a motion to extend time for filing a motion for reconsideration or other written response to the Board's Order dated May 9, 1986.

Electric proposes that the parties be allowed until June 20, 1986 to comment and/or move for reconsideration. Because of the uncertainty over compliance options, construction timetables, and "new developments" as asserted by Electric, the motion is hereby granted. The time for filing comments and/or motions for reconsideration of the Board's May 9, 1986 Opinion and Order is hereby extended to June 20, 1986.

Electric has represented that the Illinois Environmental Protection Agency has no objection to the extension of time.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 22nd day of May, 1986, by a vote of 7-0

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
