ORDER OF THE BOARD (by B. Forcade):

On December 19, 1984, Continental Grain Company ("Continental") filed a motion for extension of time to file amended variance petitions for the above captioned cases. Continental requested an extension until January 4, 1985, due to an injury which was sustained by one of Petitioner's attorneys. Continental has yet to file amended petitions in any of these cases as of today's date.

The Board will grant an extension to file amended petitions until January 16, 1985. The Board notes, however, that the statutory due date for decision will fall on January 26, 1985. Unless Continental files amended petitions by January 16, 1985, the Board will have no alternative but to dismiss these proceedings for inadequacy in order to avoid their grant by operation of law.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted of the 10th day of January, 1985 by a vote of 5-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
