ORDER OF THE BOARD (by B. Forcade):

The Petitioners, Ron Criley, individually and as Mayor of the City of Troy, Illinois, and the City of Troy, ("Petitioners") petition to intervene in an appeal from a denial of a landfill siting approval by the Madison County Board ("County Board") on an application for landfill siting approval from GSX Corp. for the expansion of the Barton Landfill site in that county. The Petitioners allege that the County Board did not entertain their petition to intervene in the County Board proceedings in this matter. The Petitioners request leave to intervene in any proceedings before this Board in this matter or, alternatively, that this Board remand this matter to the County Board with instructions that the County Board conduct an additional hearing that would include evidence to be submitted by the Petitioners. GSX Corp. has not yet filed an appeal of the County Board Denial with this Board.

The Board will temporarily docket this filing as PCB 88-49 for the purpose of clarification of the issues involved. The parties are hereby directed to brief, by April 22, 1988, the issue of the authority of this Board to hear this matter in the absence of some indication of a final decision of the County Board and a subsequent appeal by an appropriate party. The Clerk of this Board is hereby directed to serve a copy of this Order together with the Petition on the Madison County Board and GSX Corp.

IT IS SO ORDERED.

Board Member Dr. J. Marlin dissented.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 24<sup>th</sup> day of March, 1988 by a vote of 5-1.
