ORDER OF THE BOARD (by J. Anderson):

On May 11, 1983 Waste Management filed a one-paragraph motion for reconsideration of the Board's April 7 Opinion and Order, alleging generally that the Opinion and Order "are contrary to facts... and to the law", as was previously argued by the Petitioner. The Board notes that a petition for review was simultaneously filed by Waste Management in the Third District Appellate Court.

No responses or motions for reconsideration have been received from the other parties.

Under these circumstances, the Board sees no point in holding this general pro forma motion for general, pro forma responses. The motion for reconsideration is denied.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 19<sup>th</sup> day of May, 1983 by a vote of 4-0.
