At issue is a supplemental environmental project, which the Illinois Environmental Protection Agency recently received additional information from the respondent. By agreement, complainant is directed to file its response to the respondent's affirmative defenses on or before December 23, 2005.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on November 23, 2005, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance.
