ORDER OF THE BOARD (by J. D. Dumelle):

This matter comes before the Board upon an April 26, 1984 motion filed on behalf of the Dunn Co. requesting that the complaint be made more definite. Dunn Co. had moved for dismissal due to the lack of specificity of the complaint on January 6, 1984, and the Board denied that motion on January 27, 1984 stating that greater latitude is given to complaints filed by citizens representing themselves and that greater specificity may be available through discovery. Dunn Co. now alleges that William and Delores Carter are represented by Frank H. Byers and again requests that the complaint be made more definite. However, no one has entered his appearance on behalf of the Carters and there is no proof of service upon the Carters. The Board, therefore, will defer ruling upon this motion until proof of service is filed and the time for response has run.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board hereby certify that the above Order was adopted on the 18th day of May, 1984 by a vote of 6-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
