

ILLINOIS POLLUTION CONTROL BOARD
January 21, 1988

IN THE MATTER OF:)
)
PROPOSED SITE-SPECIFIC) R87-12
PARTICULATE LIMITATIONS)
FOR SCHROCK'S SAWDUST)
FIRED BOILERS IN ARTHUR,)
ILLINOIS)

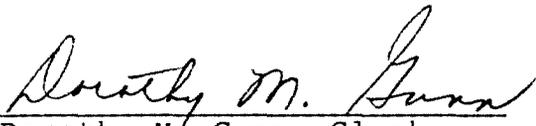

ORDER OF THE BOARD (by J. Marlin):

This matter comes before the Board on a Motion for An Expedited Decision filed by Schrock/Division of White Consolidated Industries (Schrock) on January 15, 1987. Essentially, Schrock is requesting that the Board decide this matter as soon as possible. Schrock claims that such a decision is needed in order to allow Schrock enough time to install a scrubber if the requested site-specific relief is denied. In PCB 86-205, the Board granted Schrock a one-year variance which will expire on October 1, 1988.

The Board appreciates Schrock's desire for an immediate decision. The Board grants the motion and will decide this matter as expeditiously as possible consistent with the Board's need to address other pressing matters.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Opinion and Order was adopted on the 21st day of January, 1988, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
