ORDER OF THE BOARD (by J. D. Dumelle):

This matter comes before the Board upon a September 12, 1986 petition for variance filed on behalf of the Franz Manufacturing Co. That petition is deficient in that it fails to either waive or request hearing, there is no proof of service upon the Illinois Environmental Protection Agency, and the specific Board rules from which variance is being requested have not been specified. Furthermore, the Board requests that Franz submit a copy of NPDES Permit No. IL0061859.

Unless an amended petition curing the above-noted defects is filed within 45 days of the date of this order, the petition will be subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 25th day of September, 1986 by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
