ORDER OF THE BOARD (by J.D. Dumelle):

This matter comes before the Board upon a November 15, 1982 motion to withdraw filed by the People of the State of Illinois (the People). The People were allowed to intervene in this proceeding on August 10, 1979 since they had determined that some of the matters complained of might constitute violations of a previous Board Order. Based upon these violations as well as apparent violations of other rules, the Illinois Public Nuisance Act and the Illinois Drainage Code, the People filed a complaint in the Circuit Court of the 18th Judicial District (No. 80-CH-245). The Board granted a motion for stay pending final action in the Circuit Court proceeding. Proceedings in that action have now been concluded, and the People represent that the Agreed Order in that matter resolves the issues presented in this matter as well. Therefore, the People's motion to withdraw is hereby granted.

The Board notes that the stay in this matter is no longer effective and hereby orders that within 45 days of the date of this Order hearing should be scheduled or appropriate motions should be filed by the parties.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 21<sup>st</sup> day of November, 1982 by a vote of 4-0.
