ORDER OF THE BOARD (by D. Anderson):

On March 18, 1982 the Illinois Environmental Protection Agency (Agency) filed a motion to dismiss this variance petition on the grounds that the variance is unnecessary because the core sands involved are not special waste. On the same date Aurora Metals Division, Aurora Industries, Inc. (Aurora) filed a response indicating no objection to dismissal.

On April 14, 1982 the Agency filed a recommendation that the Board either deny the variance on the same grounds, or grant the variance subject to conditions. The Board will consider the motion to dismiss with the case.

IT IS SO ORDERED.

Mrs. Anderson dissented.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 15<sup>th</sup> day of April, 1982 by a vote of 4-1.
