ORDER OF THE BOARD (by R. C. Flemal):

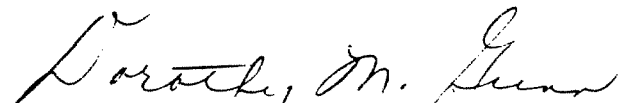

On March 16, 1987, Petitioner Wells Manufacturing Company ("Wells") filed a motion which requests that the Board reconsider its March 5, 1987, Order upholding the decision of the Illinois Environmental Protection Agency ("Agency") to deny Wells' application for an air operating permit. Wells appears to contend, in support of its motion, that its permit application before the Agency was denied "without affording (Wells) the opportunity to be heard...(in) violation of Wells' right to due process of law".

On March 31, 1987, the Agency, as represented by the State's Attorney of Cook County and the Attorney General for the State of Illinois, filed two responses in opposition to Petitioner's Motion for Reconsideration.

The Board does not believe that Petitioner's due process rights have been violated. Accordingly, Wells' March 16, 1987, motion is denied.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 1<sup>st</sup> day of April, 1987, by a vote of 6-0.
