ORDER OF THE BOARD (by I. G. Goodman):

Hearings on this proceeding have been waived continuously pending resolution of the case docketed People of the State of Illinois v. United States Steel Corporation and Environmental Protection Agency v. United States Steel Corporation, PCB 75-80 and PCB 75-141, Consolidated. The issue in this variance proceeding involves the sinter plant which was subject to the plant-wide compliance plan developed in the above cases. Since the Board has received joint concurrence with its December 2, 1982 Opinion and Order in the consolidated case, this matter is moot. The Joint Stipulation to Dismiss filed on December 12, 1982 is construed as a Motion to Voluntarily Dismiss their variance proceeding. Motion is granted.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 13<sup>th</sup> day of January, 1983 by a vote of 5-0.
