ORDER OF THE BOARD (by I. G. Goodman):

This proceeding has been stayed pending resolution of the case docketed People of the State of Illinois v. United States Steel Corporation and Environmental Protection Agency v. United States Steel Corporation, PCB 75-80 and PCB 75-141, Consolidated. The issue in this proceeding and, inter alia, in the consolidated case concerns the application of the Board's Air Pollution Control Regulations to the operation of U.S. Steel's electric arc furnaces. As stated in the May 18, 1981 Joint Motion for Stay herein, "Resolution of the enforcement proceeding would moot the issue in this appeal." Since the Board has received joint concurrence with its December 2, 1982 Opinion and Order in the consolidated case, this matter is moot and is hereby dismissed.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 13th day of January, 1983 by a vote of 3-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
