ORDER OF THE BOARD (by J. Anderson):

On June 10, 1982 the Board issued an Order construing a letter sent by Potomac to the Agency as a petition for variance from Rule 1201 of Chapter 3. Noting that the letter failed to contain much of the information required by Procedural Rules 401, the Board stated that if an amended petition were not filed within 45 days of the date of the Order, the petition would be "subject to dismissal".

No amended petition has been filed. The Board must take action on this petition today to avoid issuance of a variance by operation of law. The petition is hereby dismissed.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 2<sup>ND</sup> day of September, 1982 by a vote of 5-0.
