ORDER OF THE BOARD (by J.D. Dumelle):

This matter comes before the Board upon a January 16, 1986 Petition For Variance filed by Bravo-Ernst Developers. The Board finds the petition deficient in several areas. Specifically, Bravo-Ernst Developers should submit more information on whether the DuPage Utility Company should be joined in this proceeding, when the DuPage Utility Company sewage distribution system was placed on Restricted Status, whether any surcharging or basement flooding is occurring and whether the requested variance is consistent with Federal Law.

Unless this information is filed within 45 days of this Order, this proceeding is subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 23rd day of January, 1986 by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
