ORDER OF THE BOARD (by R. C. Flemal):

The Board notes that there has been minimal action in this matter subsequent to the third and apparently final hearing held on October 23, 1986. The Board also notes that at that hearing the parties discussed a tentative post-hearing briefing schedule which was to be followed absent the grant by Petitioner of a waiver of the decision date. However, an open waiver was then filed on November 16, 1986, and no further action has occurred. Among other matters, no briefing schedule has apparently been developed by the parties.

In the interests of bringing this matter to a conclusion, the Board hereby, by its own Motion, sets the following briefing schedule:

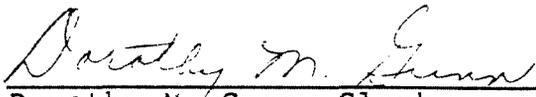

May 7, 1987 -- Petitioner's brief due.

May 21, 1987 -- Respondent's brief due.

June 4, 1987 -- Petitioner's reply brief, if any, due.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 16th day of April, 1987, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
