RESOLUTION AND ORDER OF THE BOARD (By J.D. Dumelle):

On January 27, 1983, the United States Environmental Protection Agency published notice (48 Fed. Reg. 3734) of the incorporation by reference into existing New Source Performance Standards (NSPS) and National Emission Standards for Hazardous air pollutants (NESHAP) promulgated under Section 111 and 112, respectively, of the Clean Air Act. These materials are already cited in those standards, but they have not until now been incorporated by reference under the applicable regulations of the Office of the Federal Register.

These amendments affect all of the above-captioned rules only to the extent that the incorporation by reference is explicitly stated after the outside materials cited in those rules.

Pursuant to Section 9.1 of the Illinois Environmental Protection Act, the Board hereby adopts the above-noted amendments to the New Source Performance Standards and the Emission Standards for Hazardous Air Pollutants of Chapter 2: Air Pollution.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Resolution and Order was adopted on the 10th day of February, 1983 by a vote of 5-5.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
