ORDER OF THE BOARD (by D. Anderson):

On September 15, 1982 the Board ordered proposed Rule 550 of Chapter 2: Air Pollution to second notice in the same form as proposed in the Board's Order of July 1, 1982 (6 Ill. Reg. 8864). The Joint Committee on Administrative Rules has issued no objection to the rule, but the staff has recommended a minor change in Rule 550(e) to clarify the portion of the site triggering that paragraph. The Board will adopt the rule with changes as recommended. The text appears below with the added language underlined. The Clerk is directed to file the rules with the Secretary of State.

- b) Burning of landscape waste and clean wood waste in this air curtain destructor pursuant to permit conditions is lawful.
- c) The Agency may grant a permit for this air curtain destructor pursuant to Part I and Rule 504 of this Part.
- d) The existing permit and operating requirements of Parts II and III of Chapter 7 shall not apply to this air curtain destructor; provided, however, that this subparagraph shall be inoperative in the event the Board, after the effective date of this section, pursuant to Section 22 of the Act, adopts regulations applicable to this air curtain destructor.
- e) If the City of Freeport allows public access to the air curtain destructor site, the Agency shall, as a condition of any permit used for an air curtain destructor, limit access between the landfill and air curtain destructor areas, sufficient to assure

compliance with the Act and Board regulations applicable to the landfill.

The Proposed Opinion of July 1, 1982 is adopted as the Board's Final Opinion in this matter.

IT IS SO ORDERED.
