ORDER OF THE BOARD (by J. Anderson):

On September 3, 1984, Browning-Ferris moved the Board to "require a statement [from petitioners] specifying the deficiencies ... in the proceedings before the County." No response has been filed.

The motion is granted. The two page August 20, 1984 petition challenging the County's grant of site location suitability approval pursuant to Section 39.2 prays that the Board reverse the decision, and no more. Specification of the grounds for appeal is necessary to crystallize the issues for a meaningful public hearing. Petitioners shall file a supplement to their petition on or before October 1, 1985.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board hereby certify that the above Order was adopted on the 20th day of September, 1985 by a vote of 7-0.
