PROPOSED AMENDMENTS TO TITLE 35, ) R83-6  
SUBTITLE D: MINE RELATED POLLUTION, ) Docket B  
CHAPTER I, PARTS 405 AND 406 )

FINAL ORDER. ADOPTED RULE

ORDER OF THE BOARD (by D. Anderson):

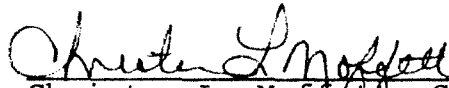

On May 5, 1983 the Board proposed to extend to July 1, 1984 the expiration date for 35 Ill. Adm. Code 406.201, a temporary rule allowing exemption from certain water quality standards for coal mine discharges. The proposal appeared at 7 Ill. Reg. 6693.

On June 30, 1983 the Board adopted the extension of the expiration date as an emergency rule, which can remain effective for 150 days. This appeared at 7 Ill. Reg. 8386.

On July 26, 1983 the Board sent the regular proposal for a one-year extension to second notice. On September 22, 1983 the Joint Committee on Administrative Rules met and made no objection. The Board therefore adopts the one-year extension of Section 406.201 as a permanent rule. The language is identical to that in the July 26, 1983 Order.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 6<sup>th</sup> day of October, 1983 by a vote of 4-0.
