

ILLINOIS POLLUTION CONTROL BOARD
August 18, 1983

IN THE MATTER OF:)
)
RULEMAKING FOR CODIFICATION OF) R81-7
CHAPTER 7: SOLID WASTE)

ORDER OF THE BOARD (by J.D. Dumelle):

The Board hereby adopts revisions to Chapter 7: Solid Waste to conform with the codification regulations adopted by the Secretary of State (Ill. Rev. Stat. ch. 127, §1007 and 1 Ill. Adm. Code Part 120, as amended). The Board's rules are required to be codified by October 1, 1983.

The Board has determined that these rules should be placed in 35 Ill. Adm. Code 807. The formal reference to the rules will be Title 35: Environmental Protection; Subtitle H: Solid Waste and Special Waste Handling; Chapter 1: Pollution Control Board; Part 807: Solid Waste. By so placing the rules, the rule numbering of Chapter 7 can be retained for ease of reference. That is, old rule 101 of Chapter 7 will become Section 101 of Part 807 (35 Ill. Ad. Code 807.101) and old rule 302 of Chapter 7 will become Section 302 of Part 807 (35 Ill. Adm. Code 807.302): The units digit of the citation reflects the old chapter number and the digits to the right of the decimal point reflect the old rule number.

Further, by using this method the Board is able to retain the rules nearly intact. There has been no rearrangement of rules, nor have any rules been broken up or combined, thus minimizing the possibility of any inadvertent changes to the rules. All that has been changed are the rule numbers and the references to those rules. For example, where the old rules referred to "this Chapter," the reference was changed to "this Part".

Since these changes are so minor, little is to be gained by printing the rules in this Order, and the Board will not do so. This is particularly true in that the rules are intended to be changed with the next year or two in order to integrate them with the Resource Conservation and Recovery Act rules in 35 Ill. Adm. Code, Subtitle G.

Notice of codification of these rules will be given in the Environmental Register and copies of them will be made available to the public upon certification by the Secretary of State.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 18th day of August, 1983 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
