ORDER OF THE BOARD (by J.D. Dumelle):

This matter comes before the Board on a Petition for Variance filed September 17, 1987, by Roadmaster Corporation and on Respondent's Motion To Dismiss filed on September 23, 1987.

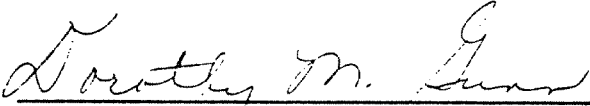

35 Ill. Adm. Code 104.121 requires that certain data be contained in a Petition For Variance. Respondent has correctly pointed out that the Petition did not contain the following:

- 1) A detailed description of the method to be undertaken to achieve compliance.
- 2) An explanation of costs associated with other coating methods, for instance, eletrostatic spraying and dipping.
- 3) Sufficient data to determine whether the requested permit can be issued consistent with federal law.

If an amended petition curing the above noted defects is not filed within 45 days, this proceeding will be subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 12th day of October, 1987 by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
