

ILLINOIS POLLUTION CONTROL BOARD
July 14, 1983

IN THE MATTER OF:)
) R80-22(A)
SULFUR DIOXIDE EMISSION LIMITATIONS,)
CHAPTER 2: RULE 204)

ORDER OF THE BOARD (by J.D. Dumelle):

On May 24, 1983 the Illinois Environmental Protection Agency (Agency) filed a Motion to Correct Rule 204 as adopted on February 24, 1983 and filed with the Secretary of State on March 28, 1983. CPC International, Inc. (CPC) filed a Response on June 17, 1983. The Agency requests that Rules 204(f) and (g) be amended to indicate that the exemption procedure provided in subparagraph (g) be applicable only to combustion emission sources burning solid fuel exclusively. It is not possible under the Administrative Procedure Act (Ill. Rev. Stat. 1981, ch. 127, pars. 1001 et seq.) to amend the rules now filed without formal rulemaking. Therefore, the Agency may propose these revisions in a new rulemaking. The Motion is denied.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 14th day of July, 1983 by a vote of 4-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
