

ILLINOIS POLLUTION CONTROL BOARD
December 2, 1982

NOISE LIMITATIONS FOR)
INDIVIDUAL FORGING SHOPS) R82-31

ORDER OF THE BOARD (by I. Goodman):

On November 29, 1982 two forging shops which are petitioning for site specific noise emission limits pursuant to Rule 206(d) of Chapter 8: Noise Pollution filed motions requesting that hearings be set. In its Order of November 12, 1982 the Board stated that hearings would be deferred until after all such petitions were due, i.e., December 1, 1983. Recognizing that other forging shops may also desire to proceed to hearing prior to that time, the Board will modify that Order. Requests related to hearings should be directed to the hearing officer, who will then schedule the same according to Board rules and policy.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 2nd day of December, 1982 by a vote of 4-0.
